Copy of Ref.15789/49 N.7, dated 16-12-49 from the Collector, Bellary to the Secretary to the Commissioner of Civil Supplies, Madras.

Sub: Establishment - Temporary - Bellary District - Taluk Offices Hospet - Writing up of permits - Section Writers - employment - sanction requested.

Ref: G.O. Ms.No.1301 Food dated 3--12--1947.

In 1947 the Government in the G.O. cited above sanctioned the employment of three section writers, at the rate of one each for the Taluk Offices of Bellary, Adoni and Hospet, for writing up of permits to be issued to land holders to import rationed articles into the rationed areas from their lands in non-rationed areas. This year the Tahsildar, Hospet alone has applied for the sanction of one section writer for a period of two months from the date of appointment. The harvest season in millets and paddy has begun and it is reported that large number of applications are being received from the Rationing Officer Hospet. The existing staff of two clerks in Taluk Office, Hospet is not able to cope with this item of work. The applications have to be disposed off by the Tahsildar with promptness lest there should be no complaint from the ryots that they suffered from loss and damage to their grain left at the threshing floor on account of the delay in the issue of permits.

2. In this connection I invite attention to G.O. Ms. No.1586, Food and Agriculture dated 10--12--1949, in which sanction has been accorded for the employment of a lower division clerk in the Rationing Office, Hospet to cope with increase of work due to harvest season in Hospet rationed area. I therefore request that the Board may be pleased to obtain the orders of the Government to appoint one Section writer on a pay of Rs.30/- plus usual D.A. for a period of two months from the date of appointment of till the necessity ceases whichever is earlier to work under the Tahsildar, Hospet.

3. The Tahsildar, Hospet has appointed one section writer from 19-11-1949 in anticipation of sanction. He should not have done so without prior orders of the Board. The Tahsildar explains that a large number of applications has already been poured in and that there is no time to obtain previous sanction. In Hospet town, this work is no doubt very heavy, as almost all residents are persons owning lands in villages. For this reason the Tahsildar's anticipatory appointment may be ratified.

4. In these circumstances I am continuing the section writer for a period of two months from 19--11--1949 in anticipation of the sanction. I request my action may be approved.

5. Incidentally, I request that sanction may also be accorded for the employment of a section writer for a period of two months from the date of employment in each of the Taluks of Bellary and Adoni for the same purpose.
